# ZIG-ZAG

The reception desk with its **original form** should be enough to arrange every reception hall. It is very effective in dark rooms where it is **lightened from the inside** and fulfills a role of a spectacular halogen. **White, metal openwork** wreathing subtly round the

body and contrasting with the highlighted interior is a very characteristic element of the reception desk. Beautiful frontal part of the counter hides **ergonomic interior** with a wide desk top which allows to organize work at the reception desk without any problems.

# ZIG-ZAG

All parts of the Zig-Zag reception desk match every room without any problems. The counter **can be arranged** in any way **from the modules** which may consists of one or more elements.

Led lighting steered with a **remote control** allows to regulate **the intensity and the color of light** automatically. Pressing one button changes the color of the reception desk and

allows to light the counter in accordance with the selected program with **monotonous** or **pulsating rhythmical** colors.

**LED lighting** located under the upper desk top and at the basis of the counter makes the

reception desk **presenting perfectly in darker rooms.**

The **high gloss HPL front** of VALDE is available in **six finishes** – **red, orange, green, white, oak** and **chestnut**. With

the **LED-lighting** switched on, the reception desks reveal the **intensity of the colour**.

Cool light perfectly harmonizes with the chestnut finish and emphasizes the hue of the colored front.

Let us pay attention to the reception desk with the lowered desk top which makes communication easier and works perfectly in customer service bureaus.

# FORO

Unique, **cubist shape** of the reception desk makes the character of the room very expressive. Two overlapping rectangles available in four color variants – **white, green, red** and **orange** create the front of the counter.

Glitter of the frontal parts contrasts with the matt body and the desk top which can be white or chestnut. Not so big body of Foro is extremely capacious and offers enough space for essential devices and stationery.

**Three rectangular elements** link the straight reception counter ZEN in a particular way. The modules equipped with **LED-lighting** add delicacy and improve the working conditions in the

darkened rooms. **Brushed aluminum** used in the kick plate perfectly matches the **white colour** of the reception counter.

Ovo is a multifunctional reception desk dedicated to small rooms or customer service bureaus. Due to a **lowered desk top** it is easy to communicate with a client in a sitting position. The common part of the desk top allows to deal with documents easily and provides trouble-free communication. The lifted part of the reception desk includes a **hidden**

**computer stand** and the vertical shelf for files and documents. Apart from ergonomics the Ovo reception desk offers an interesting form connecting a white oval of the desk top with a dark rectangle of the body and the frontal part of furniture produced in two optional colors - cocoa and chestnut.
